Jonathan Davis : Learn to Play Bridge in a Weekend (Learn in a weekend) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Learn to Play Bridge in a Weekend (Learn in a weekend):

1 of 1 people found the following review helpful. Great book! By P. Whaley Great book to learn the basics of bridge. Also good as a quick guide to bidding guide lines. Covers enough strategy to make you a good competitive player.

Embarking on a new sport or leisure activity can be daunting, with so much to come to grips with and so little time in which to learn. The "Learn in a Weekend" series confronts these problems by offering highly structured courses for the beginner, which can be completed in two days. Each book is devised by an expert and offers instruction devoted to one activity. The combination of concise text and clear visuals should transform even the absolute beginner into a competent practitioner.
