**Ralph Matesky : Learn to Play in the Orchestra, Bk 2: Bass** before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn to Play in the Orchestra, Bk 2: Bass:

Correlates with Learn to Play a Stringed Instrument or any other method, this series concentrates on the development of style and music appreciation. Contains a history of stringed instruments, biographies of composers plus duets, trios and full string orchestral arrangements of famous melodies.
