Bell I guess it's somewhat evident from the title that this is not a strategy guide, but given I couldn't find anything else, I thought I would try it. I agree that it's unremarkable. It's not very details in its descriptions of the listed items, and it's not in color. 5 of 5 people found the

following review helpful. Save Your MoneyBy Cynde KaplyThis book is very poorly done. Even though there is a table of contents with page numbers, there are no numbers on the actual pages.The content is pulled from some Lego Dimensions marketing page and there is no original information in the book at all.Save your money.13 of 14 people found the following review helpful.
