We were unable to use it for that because it is NOT in the shape listed. The cover was VERY worn, pages falling out, folded over, or missing. We have had good luck with used books before. We were very disappointed and we're not able to use for a Christmas gift.3 of 3 people found the following review helpful. Great guideBy StarstruckEssential to ensure an efficient start to the game (esp. for a 6yr old). Shows all characters,

mini-kits and special items. Also includes some cheat codes. Generally useful guide to navigating each level, while still keeping the game challenging. 0 of 0 people found the following review helpful. Four Stars By Eric E. Ehlers just as described
