Upsetting items-A catalogue of disturbing objects that can be found throughout the game. Melancholy Maps show the location of every suspicious object. Plus, game secrets and cheats revealed! BradyGames is Official and Exclusive on this title. Platform: PS2, Xbox, GameCube, PC In Lemony Snicket's: A Series of Unfortunate Events, players follow the Baudelaire orphans as their luck goes from awfully bad to incredibly worse. Based on the popular book series and the upcoming movie starring Jim Carrey, this treacherous tale allows gamers to experience the eccentric adventures of Violet, Klaus and Sunny Baudelaire. Players will switch between the three Baudelaire orphans to utilize each of their special abilities: Violet, the inventor; Klaus, the brave intellect; and Sunny, the biting baby. There will be tricky puzzles to solve and many foes to fend off, so players will need to gather objects throughout the adventure to build ingenious inventions to clear enemies in their path and maneuver through obstacles.
