**From Brand: Editions Durand : LES SOIRS ILLUMINES PAR L'ARDEUR DU CHARBON PIANO** before purchasing it in order to gage whether or not it would be worth my time, and all praised LES SOIRS ILLUMINES PAR L'ARDEUR DU CHARBON PIANO:

(Editions Durand). Composed in 1917, this manuscript was recently discovered, and the music, in the style of Debussy's preludes for piano, is now in print for the first time. Debussy, suffering the hardships of World War I,

composed it in gratitude to his coal merchant. Includes an introductory article.
