**Joey Reynolds : Let a Smile Be Your Umbrella...But Don't Get a Mouthful of Rain: The Joey Reynolds Story** before purchasing it in order to gage whether or not it would be worth my time, and all praised Let a Smile Be Your Umbrella...But Don't Get a Mouthful of Rain: The Joey Reynolds Story:

Joey Reynolds is one of America's most beloved radio personalities. Spinning records as a teenager in Buffalo, New

York, Joey quickly became one of the trendsetters of early rock radio. From Miami to Philly, to Detroit to New York, wherever Joey went, his show was always at the top of the charts. After a detour to Hollywood and a long battle with the bottle, Joey's career went into a long, slow slide. Filled with humorous anecdotes and stories of the many celebrities and rock stars Joey has met, this is the story of a man whose rise, fall, and rise again was fueled by the power of laughter. After finding sobriety, Joey bounced back as always. He now has the number one rated overnight radio talk show in the country and his "stream of consciousness" style and sense of humor are winning new fans every day.
