**Richard V. Smith : Let's Play Bridge: A Guide to Learning and Understanding Contract Bridge** before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Play Bridge: A Guide to Learning and Understanding Contract Bridge:

2 of 2 people found the following review helpful. Non FictionBy averageLet's Play Bridge is a reasonably length guide to the game. It is quite and bit longer and more in-depth than some of the simple, short introductions around the place. It is not too bad, but you would probably only want to get this if you are serious about getting into the subject, not something to just look up the rules in.
