Deal a certain amount of cards and draw and discard (rummy style) until you can use all the cards in your hand to spell a word. Each letter has a point value. This is a game for both adults and children. My 9 and 12 year old absolutely love it! Perfect for game night and educational for the kids. I highly recommend it! 0 of 1 people found the following review helpful. Three Stars By Customer do not have enough letter no wild cards I would have bought 2 or more boxes

Letras: The Card Game For People Who Love Words. Kind of like Scrabble with cards.
