**From Hal Leonard : Level 3A - Popular Repertoire Book: Piano Adventures** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Level 3A - Popular Repertoire Book: Piano Adventures:

0 of 1 people found the following review helpful. Great books By Joanne Westers As always these books are a great resource for my students. I really love teaching from them and they engage my students well. 7 of 7 people found the following review helpful. Wonderful! By Emily A This popular repertoire book makes a wonderful addition to the 3A level series from Piano Adventures. The songs contained in the book are well known and fun to play (and hear). They really make great piano recital pieces. This book is also an excellent graduation book from level 3A before moving into 3B. It makes for a great review of all the things learned in this level. Level 3A is quite a jump from 2B, but not so drastic that it is too difficult. It is just enough to challenge and strengthen one's skills and abilities while adding to them and making it exciting. At this level you really start to feel like you are transitioning from the simple piano

pieces to songs with more depth. Level 3A covers the 7th, 3/8 and 6/8, the triplet, more ledger lines, the chromatic scale, the D major scale, and one-octave arpeggios. 1 of 2 people found the following review helpful. My daughter switched to Faber's Level 1 books after starting ...By Magickal\*MadnessMy daughter switched to Faber's Level 1 books after starting out in Alfred's. She has progressed quickly in the Faber books and they seem to be more of a "click" to her. She's now entering 3A and is enjoying the new books immensely. We really appreciate the variety available at each level, including Popular Repertoire and Christmas songs. The Faber Theory is also more interesting than Notespeller, which is what she used instead for a couple years.

(Faber Piano Adventures ). The Popular Repertoire book provides popular hits paired with imaginative activity pages that explore rhythm, note reading, and theory basics. Contents: Animaniacs (Main Title Theme) \* From a Distance \* I Swear \* I Will Always Love You \* The Pink Panther \* Puff the Magic Dragon \* Superman (Theme) \* That's the Way It Is \* Tiny Toon Adventures (Theme Song).
