Five StarsBy MollyBLove these puzzles. not necessarily easy but seems to improve my memory and alertness.0 of 0 people found the following review helpful. Great little brain exerciseBy LandlordGreat little brain exercise. Got this book for my mom and she liked it. She enjoys having to find the differences in the pictures and feels that they help strengthen her mind. I even enjoy doing them from time to time as well. Great price compared to going

to a store and picking up a book like this

From the popular "Life Picture Puzzle" series, comes the next in the series, with 176 pages of all new brainteasers, this book is sure to delight the legions of fans who made the first edition a run- away bestseller and who turn to the puzzle page of 13 million copies of "Life Magazine" each week. Once again, the puzzles are categorized according to level of difficulty: novice, master, expert. and genius, with a suggested completion time included for serious puzzlers. From dedicated puzzlers who sent the first edition onto the bestseller lists in its very first week to beginners who have never tried them before, the "Life Amazing Picture Puzzle" will definitely become a must-have for all players.
