**Editors of Life : LIFE The Very Best Ever Picture Puzzle (Life Picture Puzzle)** before purchasing it in order to gage whether or not it would be worth my time, and all praised LIFE The Very Best Ever Picture Puzzle (Life Picture Puzzle):

Previously published puzzlesBy ConniePI did not realize when I ordered this book that it was a "best of" collection, consisting of previously published Life Picture Puzzles. Apparently, that is what its title, "The Very Best Ever" means. (I thought it meant the best collection of NEW puzzles thus far.) Very disappointing for me. In the book's intro, it says they hope the book "still brings the gentle surprise: `Oh yeah, I remember this one. I'll bet I can do it faster now!'" Well, since I own all of their previously published books and have done several of the puzzles more than once, this is NOT what I was looking to buy. The book is indeed a good collection of puzzles, but all or most of its contents were previously published. If you are looking for new puzzles, this book (#14 in the series) is not for you; wait for the next one.0 of 0 people found the following review helpful.
