**The Editors of LIFE : LIFE Wild Wacky Picture Puzzle (Life Picture Puzzle)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised LIFE Wild Wacky Picture Puzzle (Life Picture Puzzle):

At night when nothing's on TV, I put music on and sit back and enjoy this relaxing hobby of mine. I've been waiting for Life to come out with a new one and when they did - I ordered it immediately! This one is the best ever! Their description is appropriate - and the pictures are brilliantly bright and colorful and fun! Watch out for these clues, they did their best to try to 'trick' us, and it actually has challenged this picture puzzle fanatic! All I can say is that I hope that Life gets back on track in making more because I've completed every one of theirs and want more....more....more! 0 of 0 people found the following review helpful. They are timeless and wonderful conversation starters By TI've gotten a couple of these picture puzzle books. They are timeless and wonderful conversation starters. I teach school and like having them around for early finishers. 1 of 1 people found the following review helpful. Five Stars By Tamara A. martin Great for

young and old.

Since LIFE invented the Picture Puzzle book years ago, the popular series has now reached its 16th book. We think that's absolutely wild. And so, we thought, why not call this one Wild Wacky?As always, LIFE's editors choose the most colorful and lively pictures, and with a title like Wild Wacky, readers will be sure to see some fun, crazy, sometimes weird and always entertaining photos. This activity book is set up so that there are enjoyable tests for every level of player, from the kids who are tackling their first-ever puzzle to the old masters who have met every challenge in our first 15 books. We know what our loyal book-buyers want from us, and we deliver it again in this latest book in the Picture Puzzle series.

About the AuthorThe inventors of the original picture puzzle books, the editors at LIFE vigorously carry on the traditions of excellence in photography, journalism and storytelling of and about our country and our world, which began with the founding of LIFE magazine in 1936 by editor and publisher Henry R. Luce. LIFE has published books on a broad range of subjects, including New York Times best-sellers One Nation and The American Journey of Barack Obama and Picture Puzzle.
