Linda Ronstadt : Linda Ronstadt: Round Midnight With Nelson Riddle And His Orchestra PVG before purchasing it in order to gauge whether or not it would be worth my time, and all praised Linda Ronstadt: Round Midnight With Nelson Riddle And His Orchestra PVG:

2 of 2 people found the following review helpful. Great study scores By George Goldberg Many years ago, when these songs were popular, I was a cocktail pianist who played them at hotels, resorts, and the like. I can still play them in the rather easy-going style I favored then. I bought this collection because I love Nelson Riddle's arrangements I own the recordings he made with Linda Ronstadt of these songs and wanted to learn more about how he got those wonderful sounds. Well, now I know, and I'm happy to know, which explains my 5-star rating. A warning, though. These

arrangements were meant for orchestra and are VERY difficult to play on the piano, sort of like Liszts arrangements of Wagnerian operas. I dont play in public any more, but if I did I might add a few new harmonies to the arrangements I am accustomed to, but anything more would be beyond my technique. For me, then, these are more study scores than playable arrangements; as study scores, they are just what I wanted.0 of 0 people found the following review helpful. Love Linda RonstadtBy CustomerThis collection of songs by Linda Ronstadt is great. I am taking group vocal lessons from a jazz singer, and we each do two solos for a performance. I have been a Ronstadt fan for many, many years and decided to do two of the songs she recorded that are included in this book.0 of 0 people found the following review helpful. Five StarsBy Customerlove it~

(Piano/Vocal/Guitar Artist Songbook). A collection of songs from Linda Ronstadt's collaborations with Nelson Riddle and his Orchestra. Includes songs from three albums: Lush Life, For Sentimental Reasons and What's New? Songs include: Skylark * Am I Blue? * My Funny Valentine * I've Got a Crush on You * and more.
