Jamie Frater : Listverse.com's Epic Book of Mind-Boggling Top 10 Lists: Unbelievable Facts and Astounding Trivia on Movies, Music, Crime, Celebrities, History, and More before purchasing it in order to gauge whether or

not it would be worth my time, and all praised Listverse.com's Epic Book of Mind-Boggling Top 10 Lists: Unbelievable Facts and Astounding Trivia on Movies, Music, Crime, Celebrities, History, and More:

1 of 1 people found the following review helpful. Take it in small dosesBy Kindle CustomerI was entertained by this book. Had a lot of interesting stories in it. Now I won't say that every story was the whole truth and nothing but the truth, but they held my interest. I knew a few of the stories presented beforehand, but they were funny to read. My family says I am a junkie for bizarre and holy c**p kind of stories. I don't like to get into too much detail as my family says I will say too much about what is to be found in the pages of this book. I will say that this not a quick reading I mean 717 pages is not something you read in one setting and besides it is broken down into sections to be read over several days. If you like trivia and the bizarre then give this book a try just don't do it all at once. I would say take it in small doses.0 of 0 people found the following review helpful. Crazy good read from end to end.By Sneezzy777You won't be able to put this down. In every area the expertise is impressive, and this book touches many disciplines. The title calls it mind-boggling. It certainly is.1 of 1 people found the following review helpful. Okay, but not as good as previous Listverse booksBy JudithI'm a fan of Listverse books. I very much enjoyed the previous two, and even gave copies as gifts. However, this one is not as much fun. For me, some of the subjects weren't as interesting, but the bigger factor is that the lists are written by guest contributors. Some of these people are good writers who write in an informative, yet witty style. However, more of them are on the dry side

CRAZY-BUT-TRUE FACTS, PECULIAR OCCURRENCES, DESPICABLE CRIMES, BIZARRE RECORDS, UNBELIEVABLE CREATURES AND MANY MORE SHOCKING ODDITIESDelving into the shocking side of pop culture, science and history, Listverse.com's Epic Book of Mind-Boggling Lists offers a wealth of fascinating reading with over 200 lists and more than 2,000 interesting facts, including: Alien Artifacts Creepy Urban Legends Bizarre Murder Weapons Horrific TV Accidents Outrageous Rock Tales Twisted Circus Acts Terrifying Villains Crazy-but-True Movie Plots Dirty CIA Operations Monstrously Evil Babysitters Strange Hamburger Facts Animal Freaks of Nature Mind-Blowing Technologies

About the AuthorJamie Frater is the creator of the popular website listverse.com. Born in Naenae, a suburb of Lower Hutt, New Zealand, he studied postgraduate music at the Royal College of Music in London, after which, due to an insatiable desire to share fascinating, obscure, and bizarre facts, he created Listverse.com, where he presents a new top ten list every day. He has been a guest speaker on numerous national radio and television stations in the United States and Great Britain. Jamie now writes full-time for his California-based website from his home in Naenae, New Zealand.
