Running Press : Little Box 'O Luck before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Box 'O Luck:

Does it just have to be your turn to win the next multi-zillion-dollar Powerball? Or, do you simply want the cute girl in the next cubicle to have lunch with you? Do you want to make the cheerleading squad or ace your SATs? Or finally pick a great stock? There really is no one who can afford to be without this cute little insurance policy. The kit includes a rabbit's foot, mini horseshoe, 4-leaf clover, number 7 charm, ladybug, piece of wood (to knock on), and a 48-page book all guaranteed to make you feel luckier in love, finance, business, sports, averting disaster, and even finding a parking space. As the Roman dramatist Seneca said, Luck happens when preparation meets opportunity. Get your Little Box O' Luck and you will be prepared.
