**David Walliams, Matt Lucas : "Little Britain" - The Complete Radio: Series 2 (Little Britain - BBC Comedy)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised "Little Britain" - The Complete Radio: Series 2 (Little Britain - BBC Comedy):

If you love quirky British humor and are a fan of the show, you'll truly appreciate this book. Vicky Pollard's rambles are just as funny in print, and this book of scripts provides the translations of her rants. The photos are terrific as are the extras. I can't wait til Season 2 is released on DVD, and sure hope the boys follow that year up with a similar book. To sum up my opinion of this funny volume, I will quote the character, Anne: "EH EH EHHHH!" 15 of 16 people found the following review helpful. Yeah but... By Trish-Trish! No but yeah. There was this book called Little Britain Series 1, or sumink or nuffink... Seriously, if you like the series, you'll like this book. Particularly useful if you're struggling to understand some of the accents on the show, and if you REALLY want to know what Vicky Pollard is saying! There are some great extras in it too, including excerpts from Emily Howard's diary. This book is a 'must have' for Little Britain fans, and if Rochelle tells you different don't listen to her 'cos she's dirty! Enjoy!

Matt Lucas (George Dawes in Shooting Stars) and David Walliams are no strangers to disguise, having portrayed a variety of music celebs in Rock Profile. Here, as the writers and stars of Little Britain, they ask, just who are Britain? What do they? And why? Now a hit BBC TV series, Little Britain takes a look at life in Britain today by following the

fortunes of some extraordinary folk. Meet Emily Howard, the rubbish transvestite; West Country delinquent Vicky Pollard; and Marjorie Dawes, the terrifying group leader of FatFighters. There's also Daffyd, the only gay man in his village - and who wants to keep it that way - as well as the multi-talented actor, singer and composer Dennis 'Minder' Waterman. This release also includes previously unbroadcast sketches and outtakes. 2 CDs. 2 hrs 35 mins.

"Catchphrase comedy at its very best... characters that are surely destined to enter the comedy pantheon" Sunday Times "Brilliant characters... Unanimous praise for Lucas and Walliams" Guardian  
About the Author

He met comedy writing partner David Walliams at the National Youth Theatre, and together they went on to create the cult TV series, Rock Profile, and latterly the phenomenally successful Little Britain.
