From Eighth Note Publications : Little Fugue in G Minor: Part(s) (Eighth Note Publications) before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Fugue in G Minor: Part(s) (Eighth Note Publications):

Similar to the Toccata and Fugue in D minor, this incredibly famous organ solo has been adapted for 2 trumpets and organ. The organ pedal work has been greatly reduced to be more accessible to more organists and so that this arrangement could be learned more quickly by all. Trumpet parts have been provided in C, B-flat, and E-flat to provide options for the players. This combination of players works just as well as the various transcriptions for quintet

that have been done.
