A stunning, 224-page, hardcover coffee-table book spanning almost forty years of epic Grateful Dead photos and stories by Bob Minkin.Live Dead is a stunning retrospective of more than forty years of Grateful Dead concerts through the lens of renowned music photographer Bob Minkin. In addition to performance images, Live Dead showcases intimate backstage shots, photos of the tour scene, and unique ephemera from inside the Dead's legendary Vault. These indelible photographs present the essence of the Dead including peak moments from their concerts at dozens of venues, such as Red Rocks, Winterland, Radio City, Capitol Theatre, Europe '81, and many more. Additionally, this unique volume features behind-the-scenes stories about many of the images, tales from the road-experiences every Deadhead can relate to-as well as a foreword by Steve Parish, an introduction by Blair Jackson, and commentary from Bob Weir, Mickey Hart, Donna Jean, Wavy Gravy, Rock Scully, Carolyn Mountain Girl Garcia, Trixie Garcia, Ed Perlstein, and more. The post-Grateful Dead years are also represented through images of Furthur, Phil Lesh Friends, Ratdog, and the current musical renaissance now happening in Marin County, California, at Terrapin Crossroads, Sweetwater Music Hall, and Bob Weir's TRI Studios.

...the new retrospective from photographer Bob Minkin, is an unparalleled collection of intimate photographs chronicling every conceivable band moment, from live shows to backstagegrab a copy and bring the band back to life. Marin Magazine
