The lines for different voices are written on separate lines which saves the trouble of trying to read your part. I am not a fan of this musical's plot but the music is as enchanting as the original music of Phantom of the Opera. For those who know the musical it includes the piano score of The Coney Island Waltz, Heaven By the Sea, Only for Him/ You, Till I Hear you Sing, Look With your Heart, Beneath a Moonless Sky, Once Upon Another Time, Dear Old Friend, The Beauty Underneath, Why does she love me, Devil Take the Hindmost, Bathing Beauty and Love Never Dies. One word of warning for fans of the new plot

and score changes in the DVD. This is the original music before certain lyrics and notes were changed.0 of 0 people found the following review helpful. Fine book, fairly playable arrangementsBy Me, Myself, and IFine book, fairly playable arrangements, and you don't have to break the spine to play out of it! Arrangements are well written so that you can drop parts out fairly easily to make some of the more complex pieces playable, then add them back in when you get to that level.0 of 0 people found the following review helpful. The musical scores are easy to readBy J. EasterwoodThe musical scores are easy to read, and not hard to play on the electronic keyboard because the chords are marked for each note as changes occur. Great pictures from the performance.
