**Lance Tomlinson : LT's School of Pool: Where Winning is Everything** before purchasing it in order to gauge whether or not it would be worth my time, and all praised LT's School of Pool: Where Winning is Everything:

Treat this game no different than a gunfight. When you step up to the table, shoot like you have never shot before. Look for your opponent's weakness; leave nothing for them to shoot. Keep your thoughts until you have won the game, stay focused, stay calm. Never second-guess yourself, ever. Walk around the table and pull your thoughts back; there are

no shots too hard for you to make. Just shoot them. If your shots are not measuring up, get practicing golf on a six-by-twelve table. This stabilizes your stroke, sharpens your view to the ball, and teaches proper weight per roll. Also best table to practice mass shots. Remember in this game, winning is everything. I believe this book has taken me to the top-dog position in my league because I had to write it to get my own game back to the level of play I am at now. Just reviewing what I know has helped enormously. Don't take your game for granted, practice, challenge.
