Experience a refreshing adrenaline rush on this NPR guided tour of the ultimate in outdoor fun: Whether whitewater rafting on the Hudson River, mountain climbing in the Himalayas, kayaking in Alaska, airboarding in Oregon's Cascade mountains, or bungee jumping in Australia, each story is an amazing sound adventure-and a great escape. The NPR Sound Treks series features outstanding audio documentaries, stories, and commentary from the NPR archives. Each volume features sounds from nature, insights from experts and others who love the outdoor experience (naturalists, zoologists, biologists, adventurers, even a cowgirl), and vivid storytelling that captures the excitement of the wilderness
