**Will Shortz : NPR Sunday Puzzles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised NPR Sunday Puzzles:

I gave it to her at Xmas to listen to while driving to FL. Now I'm ticked because it appears to be the only audio cd he does and I wanted to get her a different version. :(It's good for the mind and all that.. :-)0 of 0 people found the following review helpful. Five StarsBy Pomme FritesFun gift!4 of 4 people found the following review helpful. Delightful collection from Sunday PuzzlesBy D. LowenthalThis audiobook is simply a collection of some of the Sunday Puzzles radio shows from Will Shortz, NPR Puzzlemaster, and Liane Hansen, hosts of the NPR Sunday radio show. The two hosts of the show are so congenial, polite and upbeat. They are really delightful to listen to. The puzzles are challenging and fun. The collection includes a few special shows, such as those that included Tom Hanks or other celebrities as guest puzzle-players or announcers. It's a nice audiobook to listen to, particularly for fans of word puzzles. Unlike crossword puzzles, these puzzles do not absolutely require pen and paper to solve, and so are perfect for listening to in the car, for example. No negatives here. Enjoy.

Portable, enjoyable hands-free puzzles from longtime NPR Puzzlemaster Will Shortz and special guests. Will Shortz believes that we're living in the golden age of puzzles now . . . puzzles have never been better. He should know. Shortz has been crossword editor of The New York Times since 1993 and NPR puzzlemaster even longer, challenging Weekend Edition Sunday listeners with on-air puzzles since the program's start in 1987. This collection features Shortz and NPR host Liane Hansen in stimulating conversation, guiding listeners through puzzles filled with creative

wordplay. Programs include the one before Shortz's appearance on *The Simpsons* (with prizes announced by Mr. Burns and Smithers, voiced by Harry Shearer), Hansen's birthday show (her children read the list of prizes), and two-time Oscar winner Tom Hanks as a mystery guest who sticks around to help the delighted contestant.

Recommended for those who enjoy stretching their minds a bit, shouting out at the radio, and just having a good laugh. *Library Journal*
