She still asks me to buy them because we have not been able to find better quality in the US By Patricia Stone I buy these books for my 77 year-old mother who loves to keep her mind active. She uses them but complains a lot about the many mistakes the book has. Missing words or words placed in the

wrong category. She still asks me to buy them because we have not been able to find better quality in the US, but whenever somebody comes from South America she asks them to bring her a "good one".0 of 0 people found the following review helpful.
