Will buy more!!!!1 of 1 people found the following review helpful. Five StarsBy CustomerI have not had this much fun in years. These are so hard to find. I love it1 of 1 people found the following review helpful. NiceBy annie reamNice big pages and white paper. Easy to read and it is a joy to do.

Enjoy hours of fun solving these 100 Number Fill-In puzzles WITH starter numbers. (See Volume 2 at [amazon.com/dp/1541398513](https://www.amazon.com/dp/1541398513) if you would like puzzles WITHOUT starter numbers.) Give your brain some gentle exercise while you figure out which number goes where. Keep an eraser handy in case you need it, and allow yourself the occasional peek at the answers in the back of the book if you get stuck. Printed on quality paper so sharp pencils or gentle erasing won't easily tear the page. Great fun for the whole family! If you would prefer a little more challenge in getting started, Volume 2 has NO starter numbers. You can find it at <https://www.amazon.com/dp/1541398513/>
