Serhii Kucher : Numbrix - 250 Easy to Medium Puzzles 9x9 (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Numbrix - 250 Easy to Medium Puzzles 9x9 (Volume 1):

1 of 1 people found the following review helpful. Numbrix -250 Easy to Medium Puzzles Serhii KucherBy Kathleen B. Janeckafast service! Ordered this Numbrix for my husband and he is really enjoying it. 250 Easy to Medium Puzzles and he is going to town with the book, no complaints, just told me to get him more! He has early dementia and this is wonderful for stimulating his brain. I recommend this book.2 of 2 people found the following review helpful.

Enjoyable but flawed...By Marvin MallonThese puzzles are interesting and the various degrees of difficulty added to the enjoyment. A big negative, however is that the book is NOT spiral bound which makes it quite unhandy to work with.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat Product

Numbrix is a type of logic puzzle. It is played on a rectangular grid of squares. Some of the cells have numbers in them. The object is to fill in the missing numbers, in sequential order, going horizontally and vertically only. Diagonal paths are not allowed.
