I've been playing for a few years pretty regularly, these fingerings are a little tough for the rock/blues guitarist that I am but are useful in increasing my dexterity. It's a fun book to learn some incredible songs, and great for increasing strength on the acoustic guitar0 of 0 people found the following review helpful. Five StarsBy CustomerWell thought out arrangements adapted for the guitar. A pleasure to play.0 of 0 people found the following review helpful. Well worth the price!By steve hurtadoThe arrangements are great and the cd is great just to listen to...especially the Arabian dance piece, very cool. Dance of the sugar plum fairies is also fun to play.

The Nutcracker a two-act ballet with a score by Tchaikovsky premiered in St. Petersburg in December of 1892. The complete Nutcracker has enjoyed enormous popularity since the late 1960s and is now performed by countless ballet companies primarily during the Christmas season. Here are stunning solo guitar arrangements of 8 pieces with a CD of complete performances: Arabian Dance (Coffee) * Chinese Dance (Tea) * Dance of the Reed-Flutes * Dance of the Sugar Plum Fairy * March * Overture * Russian Dance (Trepak) * Waltz of the Flowers.
