**The Baseball Guys : Obsessed with...Baseball: Test Your Knowledge of the America's Pastime** before purchasing it in order to gage whether or not it would be worth my time, and all praised Obsessed with...Baseball: Test Your Knowledge of the America's Pastime:

0 of 0 people found the following review helpful. This was a present for somebody who preferred our diversionBy Shawn GeorgeThis was a present for somebody who preferred our diversion. We purchased an entirely old and modest one however it functions admirably.0 of 0 people found the following review helpful. Shipped offBy Shaun SegoAbsolutely LOVED this book! I'd love to tell you I still have it and enjoy it. I can't, my work was packing boxes for military. Since I enjoyed playing the trivia with a friend. I realized this would be great for any down time in the military. Not too big, the "game" part is attached and keeps score. So I only owned the book for 2 months and had to let it go. Sometimes we are blessed to be a blessing I suppose!0 of 0 people found the following review helpful. great giftBy mick pagangot it for my dad for x-mas last year and he really likes it. used it a bunch, now just pulls it out every once in a while. nice to go through with some of the guys when we are over visiting.

Obsessed with BASEBALL explores little known facts, fascinating anecdotes, and great trivia of America's national pastime. This comprehensive yet compact book offers more than 2,500 questions to engage and challenge even the greatest baseball buff. In addition, each spread features a lengthier question that goes deep into the subject. What

makes this package truly different from any other trivia book is the computerized module embedded in a corner of the book's cover, which allows readers to test themselves or compete against a friend. Play ball!

About the AuthorThe Baseball Guys include the following experts: James Buckley Jr., author of more than 20 books on baseball, including *The Visual Dictionary of Baseball*; David Fischer, author of *Sports of the Times* and *The 50 Coolest Jobs in Sports*; and Jim Gigliotti veteran sports writer and editor, and coauthor of *Baseball: A Celebration!*
