David Bird : Off-Road Declarer Play: Unusual Ways to Play a Bridge Hand before purchasing it in order to gage whether or not it would be worth my time, and all praised Off-Road Declarer Play: Unusual Ways to Play a Bridge Hand:

0 of 0 people found the following review helpful. great declarer play bookBy Viorel AnghelIn my oppinion, this is one of the best declarer play books for advanced+ players. Off-road declarer play by David Bird is well structured, with

chapters explaining one specific theme, first examples presented double-dummy then problems proposed for the reader. The hands are beautiful and pragmatic, I think advanced readers will be able to solve most of the problems in a few minutes, a normal playing bridge deal time. The selected topics includes: entries creating, blocking plays, surviving bad trumps breaks, ways to rectify count for squeezes. 0 of 0 people found the following review helpful. Great examples of challenging problems By Jan Porterfield Many bridge books are geared toward beginners. This one is not, and is a great learning tool for the intermediate player. It's well-written in a style the reader will enjoy. 0 of 0 people found the following review helpful. One Star By Bob Zakada Just to sell the title.

In bridge, the 'declarer' is the one who nominates which suit is trumps; his/her partner's hand becomes the 'dummy'. Every intermediate bridge player is familiar with the routine techniques of dummy play. What this book describes are less well-known stratagems that may save the day in non-routine situations.
