Says it is in English but Music is FrenchBy S. GoldingI bought this per my mom's request. The operas are in French. She can't read French. I'm returning it.

Jacques Offenbach (1819-1880) ranks among the greatest composers of lighthearted operettas, and his famous songs continue to charm millions who know neither their names nor their composer. This volume features the sheet music for 38 popular songs from 14 operettas. All are reproduced from the original sheet music a few from the original piano-vocal scores, and some with lively pictorial covers. Contents include four songs from *Orphe aux enfers* (Orpheus in the Underworld), five songs from *La belle Hélène*, four songs from *La vie parisienne*, six songs from *La Grande Duchesse de Grolstein*, seven songs from *La Prichole*, three songs from *La fille du tambour-major*, and more. The complete French texts appear on the music pages, and a separate section offers English translations. All songs were chosen by Antonio de Almeida, a renowned conductor and authority on Offenbach, who also provides an informative Introduction.
