Matthew J. Norton : Official Fallout 2: A Post Nuclear Role Playing Game : Strategies Secrets before purchasing it in order to gage whether or not it would be worth my time, and all praised Official Fallout 2: A Post Nuclear Role Playing Game : Strategies Secrets:

The sequel of the "Roleplaying Game of the Year" features the same great gameplay as the original game coupled with an exciting new storyline. This is the only official strategy guide for Fallout 2 written with the close involvement of the development team at Interplay. Readers will find a complete walkthrough, maps of crucial areas, lists of items and characters, and detailed strategies for getting the most out of the game. Required reading in a post-nuclear world!
