Excellent qualityBy Orlando T. MaioneThe pocket book edition is in mint condition and appears to be the latest edition. I'm more than happy with the service, packaging and quality of the product.0 of 0 people found the following review helpful. The Official Scrabble Player's DictionaryBy cologramA good reference work that settles disputes quickly. Perhaps my used edition is a little outdated, but hell, so am I.LB

Works great as a general dictionary. Short entries make it immediately useful for the game or other purposes.
