bought it for my best girlfriend. She and her little boy will have a lot of fun with it! Sure computer games are fun, but the games we played growing up are oftentimes even more fun! Relive the memories with your kids! 0 of 0 people found the following review helpful. Love this Book! By Rosanne Kovach Great Book to have with children or grand children! I had forgotten about some of the games. It is nice to go down memory lane and share with children and adults alike!

Whatever happened to the old-fashioned children's games and songs? Old favorites like Kick the Can, Fox and Geese, and Red Rover encouraged camaraderie, physical activity, coordination and social interaction--as electronic and computer games never can. Family and campfire singalongs helped preserve the folksong and storytelling tradition while instilling in children a sense of community and a confidence in their musical capability. Writer and poet Sharon O'Bryan has gathered a collection of the old games and songs. She brings the old days back to life with instructions for outdoor games like King of the Mountain; car games like Graveyard; card games including Old Maid; and favorite party games such as Blind Man's Bluff. Lyrics and music to singing games and campfire songs are added to this collection to offer old style amusement for every child and occasion.
