Andy Hamilton : Old Harry's Game: The Complete Series Seven before purchasing it in order to gauge whether or not it would be worth my time, and all praised Old Harry's Game: The Complete Series Seven:

Jean Paul Sartre said, "Hell is other people." But, as Satan will tell you, Hell is actually a fiery, unendingly cruel domain where Oliver Reed can never quite catch the barmans eye and Yves St Laurent is forced to wear a donkey jacket. But Hell is about to become more hellish for Satan himself (Andy Hamilton). Not only is the historian Edith Barrington (Annette Crosbie) taking forever to write his biography, An Angel Misunderstood, but everything is thrown into confusion when a dog turns up. Animals aren't meant to end up in Hell because they're not evil, well, except for dolphins, of course. So why is it here? After much licking, begging, and slobbering mainly from Scumspawn Satan decides to keep the dog and ask God (Timothy West) what is going on. But God has decided to go on a gap year to find himself. And Hell receives another, even more inexplicable guest. . . All six episodes from the seventh series of BBC Radio 4s Sony Award-winning comedy set in Hell. 3 CDs. 2 hrs 48 mins.
