Smithsonian Collection Irving Brecher (Foreword) : Old Time Radio Comedy Laughter with Book (Smithsonian Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Old Time Radio Comedy Laughter with Book (Smithsonian Collection):

0 of 0 people found the following review helpful. Hysterical! By J. Viola A fabulous collection of comedy shows from the golden era of radio comedy. Anyone too young to have experienced the age of radio must listen to this to appreciate the extraordinary talents of the era's comedians!

The Smithsonian Institution and Radio Spirits have teamed up to assemble this collection of distinctively entertaining broadcasts from the comedy and laughter genre. Each of the 12 broadcasts has been digitally restored and remastered from the original recordings for exceptional audio quality. This collection includes the famous comedy bit Who's on First by Abbott and Costello and a 60 page historical booklet featuring foreword by Irving Brecher, creator of the Life of Riley.
