Radio Spirits : Old Time Radio's Greatest Western Shows (20-Hour Collections) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Old Time Radio's Greatest Western Shows (20-Hour Collections):

By Honest Feedback I bought this product for my Dad as a Fathers Day gift. I can't give it a rating but know that he will enjoy them. I read the reviews and took a chance. The product came on time and looks new, the cd's come in a plastic case and are well protected. I know that these old time radio shows will take him back to his childhood days. 7 of 7 people found the following review helpful. Classic old time westerns. By Edward Torpy Although the western genre is not my favorite, there is something iconic about many of these shows. The best shows in this group include The Six Shooter (starring Jimmy Stewart), The Lone Ranger, Gunsmoke (considered to be one of the greatest radio shows of all time), Frontier Gentleman, and Tales of the Texas Rangers (sort of like Dragnet in Texas). All in all, there's more variety than one might expect from a collection devoted exclusively to old westerns. 1) Red Ryder - Terror in Pecos Valley 03-07-42 - The Casa Grande Valley 03-12-42 - Back to Painted Valley 03-19-42 - Bank Theft 04-04-42 2) The Six Shooter - The Coward 09-27-53 - Sheriff Billy 11-29-53 - A Pressing Engagement 12-06-53 - Cora Plummer Quincy 12-27-53 3) The Lone Ranger - Thieves Fall Out 11-11-42 - West of Big Ridge 11-13-42 - Devil's Sink 11-16-42 - Thundering Hoofs 11-18-42 4) Have Gun, Will Travel - Return of Dr. Thackeray 02-15-59 - Winchester Quarantine 02-22-59 - Dad-Blamed Luck 07-03-60 - Five Days to Yuma 07-10-60 5) Gunsmoke - Tap Day for Kitty 07-30-55 - Innocent Broad 08-06-55 - Sweet and Sour 08-
