**Omar Sharif : Omar Sharif's Life in Bridge** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Omar Sharif's Life in Bridge:

2 of 2 people found the following review helpful. ExcitingBy paulscott Tour the world with one of the bridge greats. Exotic places, exciting hands stimulating friends competitors. If we can't play at this extremely high level, at least we can read about it. I also highly recommend, "Around the World in 80 Hands", also by Zia.
