It's actually a very interesting read. I definitely recommend this book.0 of 9 people found the following review helpful. Fast shipping. Good item!By nugirlThis product came as it was described on the website. It arrived a lot faster than it would be.

Classic sociological analyses of 'deviance' and rebellion; studies of technology; subcultural and feminist readings, semiotic and musicological essays and close readings of stars, bands and the fans themselves by Adorno, Barthes and other well-known contributors

`... the collection as a whole recognises the pleasures of pop and helps us to understand them.' - Q Magazine
