Parragon Books : Optical Illusions w/ Pencil before purchasing it in order to gage whether or not it would be worth my time, and all praised Optical Illusions w/ Pencil:

0 of 0 people found the following review helpful. Five StarsBy anthony j. grundygift

This is more than your average puzzle book. This contemporary format comes with a pencil set inside the book within a specially made diecut. Without having to waste time looking for a pencil there'll be more time to puzzle your way through this great selection of optical illusions. With a wide variety of subjects and something for everyone this collection will give you hours of entertainment.
