Orchestra Expressions provides music educators at all levels with easy-to-use, exciting tools to meet daily classroom challenges and bring new vibrancy and depth to teaching music. The lessons were written based on the National Standards for the Arts in Music -- not retro-fitted to the Standards. The program is music literacy-based and satisfies reading and writing mandates in orchestra class. Unique Features of Orchestra Expressions: \* "Four-fingers-down" start for every instrument \* Separate but simultaneous development of both hands \* Bass begins in III position developing early shifting \* Orchestra arrangements by Sandra Dackow \* Final full orchestra concert piece
