These are all from the Chorale Preludes and short canons on Chorale melodies. It is a good, economical book for student use in studying the most beloved of these pieces. Does not include all the Short Chorale Preludes, but most all the famous ones. 0 of 0 people found the following review helpful. Excellence. Easy to read By timothy cat Spiral binding is helpful. I would prefer having the basic chorales for each piece also available as in other editions

Arranged for Christmas, Easter and Passion. The comb binding creates a lay-flat book that is perfect for study and performance.
