My husband thought this book was very interesting. He reads it in his "office" on many occasions. I am glad I got this book for him.

Interspersing exciting history and fun quizzes, this trivia book ranges from basic facts to challenges that will teach even the most die-hard fans a thing or two about Green Bay Packers football. The facts presented are grouped into such categories as famous firsts, stadiums, records, quotes, postseason runs, jersey numbers, drafts/trades and, of course, the players and coaches. Entertaining and educational, the book is ideal for both solitary instruction and group game play.
