If non-fiction isn't your thing, you're not gonna dig it. Highly recommend seller also. Honest folks.0 of 0 people found the following review helpful. One of the best collection of the morbidBy P. LenaghOne of the best collection of the morbid, the depressing and disturbing!Want to know what a President left his wife heirs? It's here.Want to know how the Plague of Justinian weakened the Empire? It's here.The history of Castratos? It's here.It IS 28 years out of date and therefore missing Nixon, Ford Reagan and new theories on mass extinctions, but seriously...this is a cool book.0 of 0 people found the following review helpful.
