Christopher Parkening : Parkening Plays Bach: Guitar Solo (Guitar Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Parkening Plays Bach: Guitar Solo (Guitar Collection):

0 of 0 people found the following review helpful. Great gift for classical music loverBy LaurenMy father plays guitar and love classical so I searched on and took a chance on this book. My father called me and told me he loved it so much. I also purchased Parkening Plays Bach CD so he could listen to it as well... I would recommend this to any classical music guitar player.,0 of 0 people found the following review helpful. Outstanding!By K. S.Excellent and outstanding. It takes some practice to to make the stretches that he makes on some of the songs, but they are great transcriptions. For Intermediate / Advanced players.2 of 3 people found the following review helpful. Excellent transcriptions for guitar of these pieces.By Wyoming EagleI lost my copy of this music and am ready to begin playing again so I wanted a replacement. There are some very demanding works included so I don't know how much of it I'll

be able to do, but now I can find out.

(Guitar Collection). Nine transcriptions edited and fingered by Parkening: Preludes I, VI IX * Gavottes I II * Jesu, Joy of Man's Desiring * Sheep May Safely Graze * Wacht Auf, Ruft Uns Die Stimme * Be Thou with Me * Sleepers Awake (2 guitars).
