The best thing on the air is IN the air.By A CustomerThere's nothing quite like listening to the BBC on a world band (shortwave) radio. But where does the newcomer begin? Right here! The annual Passport to World Band Radio takes you by the hand and into the store to pick out a suitable receiver. World Band Radio is the best guide of its kind on the planet, for listening to the voice of the planet.

The classic volume for shortwave radio lovers. It zeros in on news, sports and entertainment from hundreds of stations ranging from Radio Australia to the BBC, Radio Yugoslavia to Radio Zambia.
