Paul Simon : Paul Simon - Anthology (Paul Simon/Simon Garfunkel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paul Simon - Anthology (Paul Simon/Simon Garfunkel):

11 of 12 people found the following review helpful. Good For StudyBy Paul DaniellIf you want to get started studying Paul Simon's work, this is probably a good book for you. If you're wanting to learn his songs on guitar I wouldn't recommend it. It's strictly chords and sheet music. No tab and doesn't show capo positions. It does contain all of Paul's best stuff (IMO).0 of 1 people found the following review helpful. Five StarsBy walter d hennieBought for a gift she loved it1 of 2 people found the following review helpful. Five StarsBy Joan RandlettHas all his best songs.

50 favorites arranged for piano/vocal and guitar. Includes: The Boy in the Bubble, Bridge Over Troubled Water, Cecilia, Diamonds on the Soles of Her Shoes, Everything Put Together Falls Apart, Hearts and Bones, Loves Me Like

A Rock, The Sound of Silence, Punkys Dilemma, Graceland and St. Judys Comet.
