From Belwin Music : Pavane Pour une Infante Defunte (Belwin Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pavane Pour une Infante Defunte (Belwin Edition):

0 of 0 people found the following review helpful. Piano sheet music By Ann LaJeunesse I didn't realize this was a duet when I bought it, but it was. It is a beautiful song if you can find another pianist to play with.

One of the world's most lovely melodies now available as a piano duo. This lush arrangement was made from the original orchestral score and lays easily under the hands. The flow of the melody from piano to piano is nice. This

arrangement is perfect for advancing pianists, and will be a welcome addition to any recital.
