Bill Keith, Winnie Winston : Pedal Steel Guitar Book/CD before purchasing it in order to gage whether or not it would be worth my time, and all praised Pedal Steel Guitar Book/CD:

3 of 3 people found the following review helpful. The first book for a great many E9 pedal steel playersBy Michael J. EdelmanThis is the first good steel guitar self-teaching manual, and in many ways it's still the best. It discusses how the various types of pedal mechanisms work, how to tune a steel and how to troubleshoot problems. The lessons take you from simple melodies up through some nice arrangement. Last, there's a collection of the copedants (pedal setups) of a great many notable players.3 of 3 people found the following review helpful. Saved me from quittingBy VanessaI started with another book had a tough time moving forward. - and that's with some lap steel experience! I threw up my hands and bought this one as a last resort - glad I did! He's a good writer and provides enough contextual info, which is helpful to someone like me. Very pleased, was able to play more than I ever though in just a few pages!1 of 1 people found the following review helpful. Others that have read this book and have been using it as a guide to playing the

Petal SteelGuitar find it to be one of the bestBy the Lone RangerSince I don't own a pedal steel guitar, I will probably never read this book from cover to cover. I purchased this book because I was curious as to how this instrument is played. However, browsing through this book, I find it to very thorough in technique. Others that have read this book and have been using it as a guide to playing the Pedal SteelGuitar find it to be one of the best books written on this subject. I agree with that opinion.

(Music Sales America). This complete guide to pedal steel guitar is a simple, straightforward instruction manual starts at the very beginning with tuning and playing fundamentals. It covers beginning to advanced instruction in the E9 tuning and an introduction to the C6 tuning. Includes a CD and discography.
