David J. Bodycombe : Penguin Pocket Sudoku 2 (Penguin Pocket Books) (Bk. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Penguin Pocket Sudoku 2 (Penguin Pocket Books) (Bk. 2):

Banish boredom with the book no sudoku fan's pocket should be without Containing more than two hundred fiendish brainteasers, ranging from easy to pencil-snappingly difficult, Penguin's latest volume of Sudoku puzzles provide a daily fix for the hardened Sudoku fan and an irresistible challenge for novices. More than just a game, these classic,

wildly popular puzzles build concentration, hone logic, and improve deduction skills-and in a portable pocket size, they are more addictive than ever.

About the Author David Bodycombe is a puzzle author and games consultant. In the United Kingdom, over two million people a day read his puzzles, and internationally his work is syndicated to over 100 newspapers.
