(Meredith Music Resource). This latest work in the Meredith Music master class series presents a comprehensive, interpretive analysis and performance guide of three legendary compositions for timpani and percussion. Together,

Morris Lang, Charles Dowd, and Anthony J. Cirone have put a lifetime of performance and study experience into an extensive volume featuring *Eight Pieces for Four Timpani* by Elliott Carter, *Concertino for Percussion and Small Orchestra* by Darius Milhaud and *l'Histoire du Soldat* by Igor Stravinsky. This in-depth, one-of-a-kind publication includes: corrections of wrong notes, rhythms, phrasings, and dynamics; far-reaching suggestions on interpretation; revised notation when original music was difficult to read; suggested muffling to enhance interpretation; additional articulations when appropriate; suggested sticking to increase musical phrasing; historical references.
